Mar. 31: Mood, Modals and Modality: Portner & Partee, chapter 12 (Kratzer)
Apr. 5: TBA
Apr. 7: TBA
Apr. 9: **Final Paper Due**

Grading practices

The University Grading Practices Policy states that "[g]rades should always be based on the approved grade scales. However, students may find that on any one evaluation they may receive a numerical or letter mark that reflects the score achieved on the test or essay. The cumulative scores may not be directly identified with the final grade. Grades are final only after review by the divisional review committee." The full text of the Grading Practices Policy can be found in the SGS Calendar
