

INDEX to *Phoenix*, VOLUMES I-XX (1946-1966)

This Index is in three parts:

- A. Author Index
- B. Books Reviewed
- C. Obituaries

The Author Index lists all signed contributions except reviews; it does however include review articles. The latter also appear in the Index of Books Reviewed. Some anonymous contributions in early issues have been assigned to their writers on the authority of M. E. White.

From Volume II on, references are to volume and page. The three issues of Volume I ("No. 1," "No. 2," and "Supplement") were paged separately; they are cited as 1.1, 1.2, and **1.3.**
